

IF YOU SMELL GAS AT HOME...

Don't smoke or use a naked flame

Don't switch anything electrical on or off - doorbells, switches or appliances

Open windows and doors to let the gas disperse

Check your appliances to see if the gas has been left on without being lit. If your appliances are clear but the smell persists...

Turn off gas at the meter

Call our 24-hour Emergency Service

1850-20 50 50

IF YOU CAN'T GET THROUGH. DIAL 999.

If your phone is in the immediate area of a leak, use a neighbour's phone or the nearest callbox.

Remember to get your gas appliances serviced regularly.
